

@ Trans India Holidays Private Limited

January 2026

Our Commitment and Goals going forward

At Trans India Holidays , we are committed to our responsibility towards sustainability and are working towards achieving our sustainability goals in all areas of our operation, including office operations , hotel reservations , transport services and local excursions. During 2023, we prepared a Sustainability Action Plan covering all our Operational areas , with a dedicated Committee to spearhead and monitor our efforts towards our goals. We spent the last 2 years Training our teams , as well as all our local partners and service providers on sustainability practices that needed to be incorporated. As a signatory to the Glasgow Declaration , we remain committed to following Sustainable practices and thereby reducing our carbon footprint significantly by 2030.

Sustainability Committee

(set up in end 2023)

 **Kapil Goswamy**
Managing Director

 **Rajesh Kaushik**
Chief Operating Officer

 **Jitendra Kumar**
Head – Transport & Logistics

Steps taken to reduce emission

- **All new vehicles purchased after 2024 are strong hybrids** (reducing fuel consumption and emission)
- **More train travel incorporated in client itineraries**
- **Local Representatives encouraged to switch to either Electric or at least Hybrid Vehicles**
- **All office lighting switched to LED**
- **Default office Air Conditioning temperature set to 24 C**
- **Significantly reduced use of single use plastic in office**
- **Staff encouraged to use public transport or car pools**

Other Sustainability steps taken

**Significantly
reduced paper
usage in office**

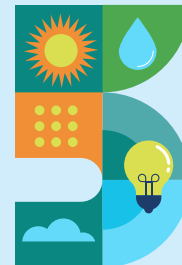

**All client facing
documents digitized**

**Mainly promoting
hotels and resorts with
proven sustainability
practices and LEED
Certification**

**Encouraged
excursion service
providers to follow
Sustainable Practices**

**Completely stopped
offering Animal based
activities example,
Elephant rides in Jaipur etc.**

**All client feedback
digitized**

-
- A graphic illustration on a light blue background. It features a green recycling symbol (three arrows in a triangle) on the left. In the center is a green leaf with white veins. To the right is a green globe showing continents. A white hand is shown holding the globe from the bottom right. A large, faint white circular arrow is in the background, suggesting a cycle.
